Hi Shreya,

This is to certify that you have been an active member of the HSN Math Club in the years that I have been the advisor (last year and this year--your 10th and 11th grades).

Best of luck,

Ms. S.

Hello all,

Thanks to everyone who participated in MMATHS tryouts! For this tryout, all us officers were impressed by both the turnout and the advancement in everyone's mathematical abilities we have seen since the beginning of the year. Due to this, we have decided to bring 3 teams instead of the usual 2 to MMATHS. Without further ado, here are the teams (each team for MMATHS is 6 people):

Knights A:

Parth Shastri
Yash Gupta
Disha Kohli
William Wang
Eddie Chen
Leo Yao

Knights B:

Allen Chang
Anshul Tripathy
Neal Haldar
Aneesh Durai
Adam Deng
Shreya Mogulothu

Knights C:

Vishvam Rawal
Meghana Kotcherlakota
Jason Chang
Akhil Paulraj
Neha Malepati
Siddanth Mane

Alternates:

Amy Wang
Daniel Liu

Again, those who made the team will have a follow-up email sent to them by tomorrow containing more detailed information.

MMATHS will be on **Saturday, April 13th, 2019**. If you have made the team above and cannot go to the competition, please respond to this email **before Sunday night** stating that you will be unable to attend. Again, no reply to this email implies your commitment to the team, and withdrawing after this deadline will **severely hurt your chances** for making future competition teams.

Again, thanks to everyone for trying out! For those who didn't make it this time, don't despair - our competition season is not over yet. Stay tuned for information about ARML, which will be held on the weekend of June 1st!
