

To Whom It May Concern:

I am very happy to write this recommendation letter for Shreya Mogulothu. I have known Shreya for the last two years as her Girls Who Code club coach.

It's a pleasure to have Shreya in the club. She is an enthusiastic member of the club. She is self motivated and eager to learn various programming languages, concepts and tools. She grasps concepts quickly and takes pleasure in explaining and helping the club members understand the concepts or the piece of code she has written.

She has been an active member of HSN's lost and found project upgrade. This year she is leading the effort to make HSN's Lost and Found more efficient.

With her extensive knowledge combined with her desire to explore the latest technologies and programming tools she is nominated as the club's Technology Officer and Coding Coach. Shreya is a bright girl, extremely humble and very respectful student. I wish her the best of luck and nominate her for the NHS with great pleasure.

Sincerely,
Suparna Mahableshwarkar

HSN GWC Facilitator
